		 <p>A hand-drawn anatomical diagram of the human large intestine (colon) and rectum. The diagram is colored in shades of brown and orange. It shows the characteristic C-shape of the large intestine. Five labels in rectangular boxes are connected to the corresponding parts of the organ by thin lines:</p> <ul style="list-style-type: none"> kolon transversum: Located at the top, pointing to the horizontal part of the colon. kolon Asenden: Located on the left side, pointing to the ascending part of the colon. kolon desendens: Located on the right side, pointing to the descending part of the colon. usus Buntu: Located at the bottom left, pointing to the cecum (cecum). Rektum: Located at the bottom right, pointing to the rectum.
